**Who among you would not
consider yourselves a ‘process’ or
‘systems’ person, and what steps
have you taken to combat that?**

AMERILIFE®

For internal use only

Why is having well-defined and structured processes key to effectively managing and growing your business?

**Why is discipline crucial for
achieving exceptional success,
and what strategies do you use to
foster it within your organization?**

AMERILIFE®

For internal use only

**What does discipline look like in the
day-to-day activity of your
organization?**

AMERILIFE®

For internal use only

Mindset is often overlooked by leaders, as it's subjective and difficult to quantify. With that in mind, how do you manage and influence mindset within your teams?

AMERILIFE®

For internal use only

**What proactive steps can the group
take to consistently monitor and
cultivate the collective mindset
within their organizations?**

AMERILIFE®

For internal use only

**What new processes have you
implemented in 2025 to elevate
your productivity and drive even
greater results?**

Space-abet Soup : DST, MDE, INT, DEP & ACC

2025 SEP Changes:

🌐 **DST** – Disaster/Emergency = as of 4/1/25 1-800-Medicare only

🌐 **MDE** – Quarterly Dual/LIS = Eliminated for 2025

🌐 **INT** – Integrated DE-SNP (HIDE/FIDE) = DE-SNP to DE-SNP monthly

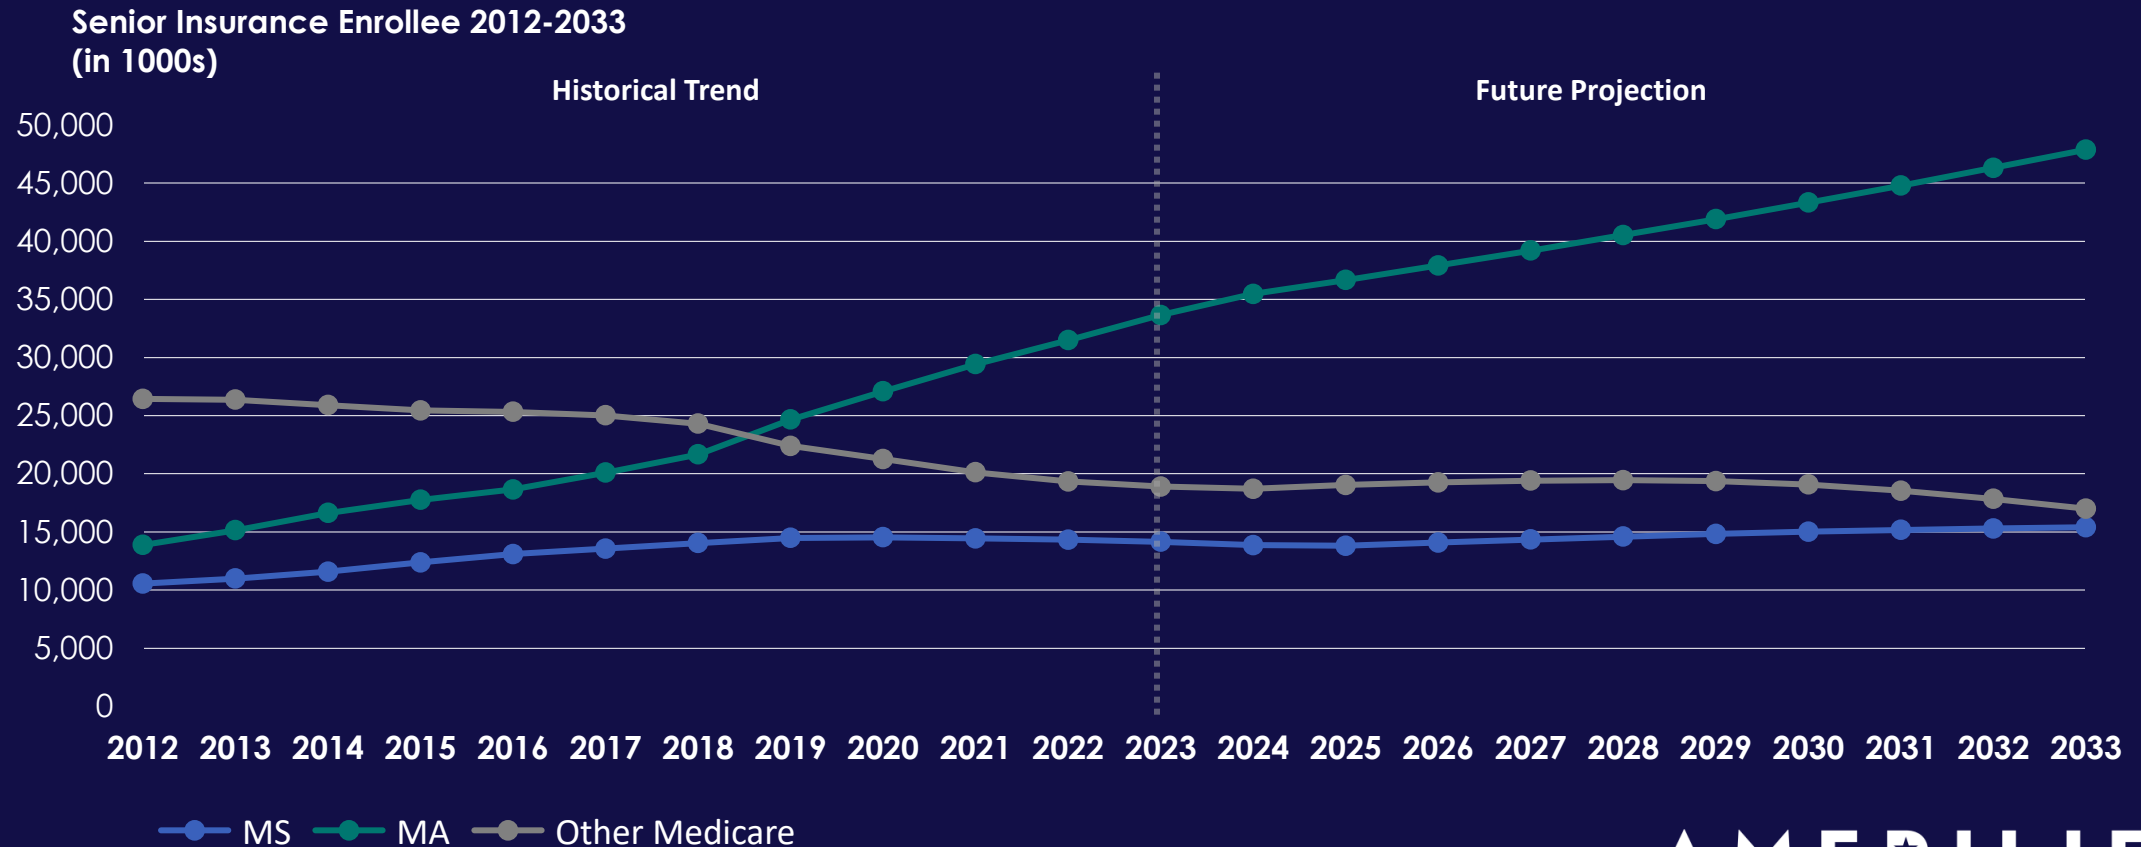

🌐 **DEP** – Extra help stand-alone PDP = PDP to PDP monthly

🌐 ***ACC** - Organizations are required to provide materials in accessible formats (such as Braille, Audio files, etc.). CMS will grant a SEP when the organization or CMS was unable to provide required notices or information in an accessible format, as requested by an individual, within the same timeframe that it was able to provide the same information to individuals who did not request an accessible format.
